

## Minnehaha County Jail

**Owner:** South Dakota Department of Corrections

**Size:** 4-Pod Detention Center

**Value:** \$26 million

**Description:** The four Pods of Jameson Annex maximum security complex was completed in two separate contracts both with Gil Haugan Construction. In 1990 the Jameson Annex site and three of the four Pods were constructed along with metal building workshop. A and B Pods include multiple two-level dayrooms, and C Pod is a single-story detention facility used for work-release programs. D Pod was added in 2006 with a similar two-level multiple dayroom layout.
